AROUND THE WORLD

All students are working on their multicultural reports. This is known as our Around the World project, and will be a major part of their grade in each subject.

The first assignment was to return the report notification form acknowledged and signed by parents in February. Now, your student should be deciding on their costume and dish to prepare for April 9. This is a required portion of the project.

As part of the submitted report, each student will produce an accompanying backboard, poster or diorama.

The completed project is due April 2. A week later students come to school dressed in an outfit representative of their country. They will bring their dish to share with their class on April 9.

Some of the items needed to decorate our rooms include: paper grocery bags, stuffed animals, artificial plants/trees, paper towel rolls (not toilet paper rolls), patio umbrella, and hats of various types. We look forward to an informative and entertaining learning opportunity!
