From the Director's Desk:

Hello all of our LCS families, old and new. We have had a great start to the new school year! We appreciate all your cooperation and support as we kick off this year. We have loved getting to know the students and families and are excited to see what all God has planned for this school year. If you have any questions or concerns, please let me know. We are here to see your child succeed and grow in the way that God has designed for them.
